Subject: Calendar for Liberty Elementary

As we move into the construction and planning for Liberty Elementary, I believe it is imperative that the instructional calendar for the school be designated at this time. Due to the fact that the attendance zone for Liberty will be drawing from two adjacent Continuous Calendar schools, I would propose that Liberty Elementary be placed on the instructional calendar for Continuous Calendar Schools beginning in the 2005-2006 school year. This item will be placed on the agenda for the September 23, 2004 Board Meeting.

Thank you.
