RE: Asbestos Abatement at Various Schools for Summer 2005.

Sun City Analytical, Inc. (SCAI) has reviewed the bids for the above mentioned project and found that Southwest Abatement, Inc (SAI) has submitted the apparent low bid for Bid Items 1 through 4. SCAI has worked with SWA on other similar projects. They performed their work in a satisfactory manner and within the requirements of the contact documents.

For Bid Item 5 SCAI recommends that the Bid from Nickolas Environmental, Inc. (NEI) be accepted as the low bid. NEI has worked on GISD project before while SCAI was the project manager. They performed their work in a satisfactory manner and within the requirements of the contact documents.

SCAI recommends that GISD award Bid Items 1- 4 to Southwest Abatement, Inc., and Bid Item 5 to Nickolas Environmental, Inc.

If you have any question, please do not hesitate to call me at (915) 533-8840.

Sincerely,
SUN CITY ANALYTICAL, INC.
