From: Dr. David J. Garcia, Principal
Gadsden Middle School

Date: Monday, February 11, 2008

Ref: **School Uniforms**

I am happy to announce to you that Gadsden Middle School held an election for the implementation of school uniforms on February 6th, 7th, and 8th of last week. Gadsden Middle School followed the "School Uniform Policy" according to the procedures set by the Gadsden Independent School District (GISD) Board of Education.

In the school election we had more than seventy-five percent of the GMS parents' vote and 79% of those voting approved a school uniform program. Therefore, I am requesting to be placed in the Gadsden Independent School District (GISD) Board of Education agenda as an item for discussion and later for approval.

Please let me know if I need to address anything else before the next school board meeting. Thank you!
