Dear Mr. Yturralde:

Below is the FY13-14 planning award amount for your grant funded through the Carl D. Perkins Career and Technical Education Act of 2006. Please take note of the following federal grant information specific to that Award:

CFDA: 84.048 Career and Technical Education – Basic Grants to States  
Award Name: Carl D. Perkins Career and Technical Education Act of 2006  
Grant Award Number: V048A130031- 12A  
Planning Award Amount: \$173,521.00

Federal Funding Agency: USDOE Office of Vocational and Adult Education  
Compliance Requirements: EDGAR 34 CFR Parts (74-99)  
<http://www2.ed.gov/policy/fund/reg/edgarReg/edgar.html>

OMB A-133 and OMB A-87 or OMB A-21(Cost Principles for Educational Institutions)

The planning amount is determined by allocating 90% of your award from the prior year. For institutions not funded in the prior year, this allocation is based on approximately 90% of what your institution or consortia would have been eligible for in the prior year.

When College and Career Readiness (CCR) receives its final Carl D. Perkins allocation from the United States Department of Education, a final award letter will be sent to your institution so that you may make appropriate budget adjustments to align what you have in Operating Business Management System (OBMS) with your final award. The CCR does not anticipate receiving its final allocation until October of 2013.

Your FY13-14 application for this award has met substantial approval. I am grateful that your work with staff at the College & Career Readiness Bureau has achieved a funded application.

Should you have any questions about this planning award, please feel free to contact CCR at (505) 827-1800, for staff assistance.

Best regards,

Hipolito "Paul" Aguilar
