#### Background and Summary:

GISD applied for and has been awarded \$150,000 to be used toward the enhancement of instructional opportunities for immigrants. Our district presently has 415 students who have been in our country 3 years or less. Our plan is to use this money to open a family literacy center in the Anthony area so as to assist parents to become active participants in the education of their children, provide tutoring after school in the area of second language acquisition, and purchase educational materials to assist in this endeavor.

#### Recommendation:

Approval.
