Background and Summary:

The Public Education Department announced that funding in the amount of \$5.2M became available to remediate deficiencies in computer devices compliant with the Partnership for Assessment of Readiness for college and Careers (PARCC) assessment requirements. Eligibility of funding was based on a local education agency’s completion of the following requirements:

- Technology Readiness Tool
- School Speed Test
- Project 24 Self-Assessment

Gadsden ISD was informed that \$299,454 has been awarded to the school district based on the above three areas considered.

Recommendation:

Approval.
