Background and Summary:

NMPED is providing an Award for High Schools That Work (HSTW) sites Chaparral High School and Santa Teresa High School. The award is designed to support the school's continuing efforts to improve student achievement through implementation of the HSTW key practices. Specifically, these funds are to support CHS and STHS efforts in raising teacher preparation and effectiveness through focused professional development and training, and the implementation of career programs of study for all students at each campus. The continued implementation of these key practices will ensure growth on the College and Career Readiness indicator of the State Report Card.
