Background and Summary:

Gadsden ISD has been awarded \$29,913 from a NM competitive grant for the McKinney-Vento program for SY 2017-18. The funding for McKinney-Vento programming, also known as Homeless, supports eligible students with school supplies, basic clothing and hygiene products so that they may remain in school. The budget also provides transportation to the home school in certain situations where a family is temporarily displaced. This funding is also supported by Title I Part A. The goal of McKinney-Vento is to keep eligible students in a home school where they have the stability of familiar teachers, friends and surroundings.
