Re: 2017/18 New Bus Replacements

Cristie Stuart

Enclosed please find documents relating to the new buses that were approved for replacement and purchase for the 2017/18 school year. We were approved to replace the 2006 Model Year buses. At this time we have received and placed into service all 3 buses approved..

Enclosed are the documents for the 3 buses currently in service in order for the BAR to be processed and approved for rental fee reimbursement on these buses
Enclosed please find:

1. Copy of Title/Registration for each new bus
2. Approval Letter from PED for each new bus
3. Database Update Form for each new bus
4. Retired Bus Vehicle Information

I have also enclosed a copy of the PED Rental Fee Schedule; a breakdown of calculations for the additional rental fees for this current school year; and an amended Appendix A & B to the Fleet Contract. Our calculation for rental fees for the 3 new buses is \$63,301.00 for the next 5 years.

Please do not hesitate to contact me should you have any questions or need further information in order to complete the Transportation BAR.
