

Ratification for Title I Part A, 2018-2019
June 14, 2018

On May 10, 2018 the GISD Board of Education approved a request for the Superintendent or his designee to sign and submit the Title I Consolidated Application for 2018-2019. At that time the district had received preliminary but information that the 2018-2019 Award would be \$7,912,811.

When the planning awards were released, Gadsden did receive \$7,912,811. However the district was also notified that a Projected Carryover of \$990,659 could also be included with the initial award.

As in 2017-2018, the district has chosen to include approximately 74% of the Projected Carryover in the 2018-19 Title I budget. Including only a percentage of the Projected Carryover is done as a cautionary measure because the state will not have a final Carryover amount for GISD until the end of September.

Therefore, the Title I Part A budget for 2018-2019:

- \$7,912,811 Initial Award
- 730,965 Percentage of Projected Carryover
- \$8,643,779 Total Title I for 2018-19

Respectfully submitted,

Jeanne Fields, Director of Federal Programs
