**Re: Acceptance of
GHS Boys Gym Remodel – 2018
Gadsden Independent School District**

Dear Board Members:

On December 04, 2018 (2) two proposals were submitted by ESA Construction Inc. and Enoch Mechanical for the above referenced project. ESA has completed previous projects for GISD and has done an outstanding job. Their proposal meets the requirements of the Request for Proposal and their pricing appears to be fair.

We support the RFP committee's recommendation for acceptance of the proposal from ESA Construction Inc. and awarding them a contract for the entire scope of work, to also include the alternate.

If you have any questions regarding this proposal, or our recommendation, please do not hesitate to contact our office.

Sincerely,
