Background and Summary:

In recent years the Federal Renewal Applications have been released with conflicting dates for submission deadlines and Board of Education meetings. To prevent programming disruptions, the Executive Director of Federal Programs requests Board of Education approval for the Superintendent or his designee to sign and submit Federal Renewal Applications upon state release of the applications and before the submission deadlines. In these instances, the designated directors will return to the Board of Education for ratification of the applications in question: Title I, Title II, Title I Part C and Title III.
