Background and Summary:

The K-3 Plus 4 & 5 program provides funding for additional educational time for students in kindergarten through fifth grade with at least 25 instructional days, beginning up to two months earlier than the regular school year. Since the program covers two budget years, this Budget Adjustment Request is to reduce the remaining budget balance for the July 2018 program. The Gadsden ISD will be processing an increase BAR for the June 2019 program.
