

Migrant Grant: Fund 24103

The Migrant Education Award for 2019-20 is \$54,034. This fund is restricted to providing services to Migrant Students which are exclusive and not provided by any other state or federal funding.

Services provided through this grant:

- Mentor services provided to create a bridge between the home and school for migrant students. The Migrant Mentors meet with the students on a regular basis and maintain open communication with the parents and teachers.
- Recruiting stipends for the Migrant Mentors to provide recruitment services after the school day or on weekends. The recruitment is a result of referrals from school registration documents.
- A summer program of reading to children with book distribution and field trips.
