Dear Georgina,

Desert Peak Architects received three (3) construction bid proposals on behalf of Gadsden Independent School District for the Gadsden High School Training Room Re-Roof Project. After examining the bid proposals, Desert Peak Architects is recommending the contract for construction of the Gadsden High School Training Room Re-Roof be awarded to Spartan Construction, LLC. at your earliest convenience. The recommended bid includes the dollar amount of the base bid lump sum for a total of Two Hundred Twenty-Three Thousand Dollars (\$223,000.00). If you should have any questions, please feel free to contact me directly.

Respectfully,
