**TO: NEW MEXICO DEPARTMENT OF TRANSPORTATION  
ATTN: DISTRICT ENGINEER**

Deming     Roswell     Albuquerque     Las Vegas     Santa Fe     Milan

Application is hereby made by Gadsden Independent School Dis, PO Box 70 Anthony,  
(Owner of Property) (Mailing Address)  
Anthony, NM 88021, to develop or redevelop a commercial (maintenance only) with the  
(Type of Development)

estimated driveway ADT as listed above, for permission to construct ( ) access(es), or ( ) median opening(s) or to ( ) modify or transfer an existing lawful access permit, and/or ( ) to upgrade an existing illegal access to a lawful access at the following described location:

NM 273 mile marker 6.10

in Dona Ana County, on State Highway NM 273 in accordance with the attached plan or sketch. Work will commence on or about 09/04/2023 and will require approximately 5 days.  
(month, day, year)

The proposed driveway or median opening must be located, designed and constructed in accordance with **18.31.3 NMAC, State Highway Access Management Requirements**. A Gate ( ), Cattle Guard ( ), Additional Fence ( ), Drainage Structure ( ), will be required which owner agrees to furnish and hereafter maintain in good repair and closed to livestock. The applicant shall submit a construction traffic control plan for approval. The owner will protect, indemnify, and hold the New Mexico Department of Transportation harmless from any injury or damage caused the owner, or third parties, by owner's failure to comply with the above. If this permit is granted, owner further agrees to comply with all condition, restrictions, and regulations of the New Mexico Department of Transportation. If not constructed, this permit will expire six (6) months from the date of issue unless otherwise noted and approved. The permittee shall notify the District Engineer of the pending construction at least three (3) working days prior to any construction, and upon completion, which shall be within 45 days of initiation of construction. The permittee, his or her heirs, successors-in-interest, assigns, and occupants of the property serviced by the access shall be responsible for the repair and maintenance of the access beyond the dge of the roadway including any cattle guard and gate, and the removal of snow or ice upon the access even though deposited on the access in the course of the Department snow removal operations. Any work in state highway right-of-way must be approved in writing by the Department prior to initiating the work.
