Board Meeting Date: July 20, 2023

Submitted By: Originator – Randall Rapanut, Director of Special Education  
Department – Special Education Department  
Date – July 12, 2023

To Be Presented By: Randall Rapanut

Approved By: Ludym Martinez, CFO Date – July 12, 2023

Background and Summary:

Because the Special Education Bureau did not provide GISD with an award amount for 24109 in a timely manner, the total amount budgeted in OBMS does not match the award. An Increase BAR is required so the amount in OBMS is aligned with the award amount.
