Mr. Rapanut

Thanks for your e-mail. Your recommendation for an Increase BAR document, fund 24109, is good solution (\$8373 increase). Please include this e-mail correspondence as part of the documentation when you submit that BAR documents.

Sincerely,
K Sellers

CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

Good afternoon to all,

Gadsden's IDEA-B grant application has been completed and submitted to the State for approval.

However, the NMPED required GADSDEN to submit their budgets for SY 23-24 no later than May 19, 2023, at which time the Special Education Bureau had not provided Districts with an award amount for 24109.

Since the Special Education Bureau had not provided GISD with an award amount for 24109, the budget drafted and approved by the GISD School Board for 24109 was based on the SY 22-23 award amount of \$72,977 which is \$8,373 less than the actual award amount of \$81,350.

All budgets in GISD require school board approval. The budget for 24109 currently in OBMS is the budget that has been approved by the school board and it would require a special board meeting for the 24109 budget to be revised.

OBMS is locked and the Finance Department cannot change the amounts budgeted in Objectives 1-3 for 24109 to match the award amount of \$81,350 without School Board approval and there are no more school board meetings scheduled this year.

At the next School Board meeting scheduled for July 20, 2023, an Increase Budget Adjustment Request (BAR) for the additional \$8,373 will be submitted.

Because the Special Education Bureau did not provide GISD with an award amount for 24109 in a timely manner, the total amount budgeted in OBMS will not match the award. Therefore, I am requesting that the IDEA-B budget for 24109 be approved with the understanding that an Increase BAR will be submitted at the first School Board meeting on July 20, 2023.

Your consideration of this request is greatly appreciated.

Sincerely,

Randall B. Rapanut
