**GRADUATION EXERCISES**

Graduation exercises will be held for students who have met state and local requirements for graduation from high school.

All high schools will identify and recognize the top ten percent (10%) of the graduation class as part of the graduation ceremony.

Participation in high school commencement exercises is encouraged but is not compulsory. However, since these exercises require planning and rehearsals, the following rules shall apply:

- Students who wish to participate must be present at the rehearsals. Failure to do so, except for legitimate reasons for absence, may be cause for excluding students from participating in the exercises.
- Students may not participate in the commencement exercises unless they have successfully completed the requirements for graduation and paid all fees, fines, and charges due.
