Take out west Anthony -60

ESTIMATED ENROLLMENT 1220

## NORTHERN REGION ATTENDANCE ZONE OPTION #2

### New Northern Elementary

Southern attendance zone boundary close to Berino Elementary to pull off 350+ students

Northern attendance zone boundary south of Del Cerro to pull off 150+ students

ESTIMATED ENROLLMENT 550

### Berino Elementary

ESTIMATED ENROLLMENT 525

### Mesquite

Southern attendance zone Del Cerro to include Del Cerro minus south of Del Cerro –100

Northern and eastern attendance zones as is

ESTIMATED ENROLLMENT 500

### San Miguel Elementary

Keep existing attendance zones minus Del Cerro –220

K-6 enrollment 175

Add Pre-K center for 150

### La Mesa Elementary

Keep existing attendance zones

ESTIMATED ENROLLMENT 319

### La Union Elementary

Keep existing attendance zones but include all developments along Westside Road north of Country Club and east of McNutt

ESTIMATED ENROLLMENT 350 plus growth along Westside Road

(La Union would take care of enrollment growth east of McNutt)

### Santa Teresa Elementary

Change attendance zone to west of McNutt but continue to include Santa Teresita

ESTIMATED ENROLLMENT 425 plus growth around school

### Anthony Elementary

Possible to move Berino attendance zone closer to Anthony and move ?? students from Anthony to Berino

### POSITIVES

- Keeps La Mesa/Chamberino intact
- Still moves Del Cerro to Mesquite (closer)
- Still reduces Berino and Mesquite Elementaries
- Can put NNE at similar enrollment to MES, BES
- Takes into account developments along Westside Road and adds to La Union
- Slows Santa Teresa Elementary growth

### NEGATIVES

- Reduces San Miguel to small K-6 school (can they support programs-music-art-computers, etc.)
- Increase administrative/clerical costs at San Miguel in light of new elementary
- Increases construction costs by \$1.5-\$3.0 million
- Are we maximizing facility usage to justify future state funding requests????
