SECRETARY'S OFFICE

The winning participants have been chosen for this year's School Bus Safety Poster Contest. A total of 1,081 posters were received from 11 schools in which participated in this year's contest.

The posters are being returned to each school so that they can be returned to each student. Each student who participated in the contest will receive a special "appreciation pencil" for entering this contest. The Grand Prize posters and the First Place posters will be on display at Boone Transportation, Inc. The Grand Prize posters will also be entered in the State Poster Contest.

Congratulations to all the contest winners and again we thank all of the students, teachers and schools for their participation. The safe transportation of the Gadsden District's students is our number one priority. We hope this contest will help all of us realize the importance of School Bus Safety.
