Northern On-Track Prekinder Center  
Gadsden Independent School District**

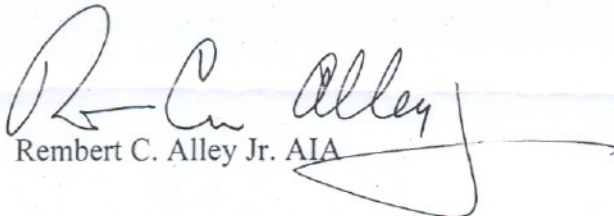

Dear Mr. Chavez,

On Tuesday, May 9, 2006 four bids were received for the Northern On-Track Prekinder Center. The low bidder, as shown on the enclosed bid tabulation sheet is ESA Construction for a total of \$603,000.00. This bid complied with all requirements of the documents and is within the funds available.

ESA Construction has done several similar projects for the Gadsden Independent School District has been reliable and the quality of their work has been good. Alley Associates, P.A. recommends acceptance of their bid and awarding them a Contract.

If you have any questions regarding this bid or our recommendation please do not hesitate to contact our office.

Sincerely,
