

COMPENSATION FOR "ACTING" POSITIONS  
(All/16/89)

Contracted employees who have been designated by the Superintendent or the Gadsden School Board to assume the additional duties of another position for a period of more than fifteen consecutive work days shall be compensated at a twenty percent increase in his/her regular daily work rate for the days served. The increased daily work rate shall be computed as follows by using the designated employee's current yearly salary and contract days:

XXX total contract days/year  
-XX paid annual leave days/year -  
-XX paid holidays/year

XXX actual work days

Yearly salary

$\frac{\text{XXX}}{\text{XXX work days}} = \text{XXX.XX daily work rate} \times 1.20 = \text{XXX.XX (increased daily work rate)}$

This regulation is effective retroactively to January 1, 1989.
