Re: Acceptance of Bid

Santa Teresa High School Weight Room Remodeling - 2006

Gadsden Independent School District

Dear Board Members:

On January 16, 2007 four bids were received for the above referenced project as shown on the enclosed Bid Tabulation sheet. All four bids meet all requirements of the bid documents and the low bid of \$ 293,500.00 is within the project budget.

This low bid is from ESA Construction, a firm that is currently remodeling the Pre Kinder Center at the former La Mesa Elementary School. ESA has satisfactorily completed other projects for the District.

Alley Associates, P.A. recommends acceptance of their bid. If you agree, we will then prepare a contract so that the work can proceed. If you have any questions please contact me.

Sincerely,

Rembert C. Alley Jr. AtA
