Subject: I Can Learn Labs

This is to notify you that the Gadsden Independent School District has been chosen to participate in the I Can Learn mathematics project.

As part of that project, GISD will be given the hardware and software for two labs: one to be located at Santa Teresa High School and one to be located at Gadsden High School. Additionally, there will be technical support and professional development for the teachers at those schools who will be teaching in the labs.

For further information you can contact me at 505-476-1883 or Jay Wehrher of JRL, Inc. at (504) 263-4205.
