| Manny Lozoya  |                  | Sorry, I did not put in a classroom number, we have several classrooms that the key was turned in at the end of the school year and they do not want to turn to open or close door. Teachers are scared to break keys, so they turned them in. Please see as soon as possible. Thank you.  |             |       |                      |                  |           |             |  |        |

| Manny Lozoya                |                   | Due to recent vandalism at the pool we need to re-key ASAP. Found no damage treated pool as a safety precaution. Chainlink fence needs minor repairs deck had human feces and was power washed and disinfected. | Rudy Arreola                | The contractors that are working under the bldg took some pictures and showed them to me. We have water lines that are kinked and in some areas they are sagging about 10 ft more or less this lines were just installed when they upgraded the cooling system. This lines will eventually break and will have alot of water and moisture under the bldg. |             |             |                   |                       |                  |           |             |             |

| Ruben Ronquillo                               | On Friday, September 29 there will be a staff training on fire extinguisher at La Mesa On-Track. I have already spoken to Ruben Ronquillo at the physical plant and he can provide the extinguishers. Would you please submit a work order to use the extinguishers (13) for that day. All three centers will attend the training given by the Fire Marshall. |             |             |                   |                       |                  |           |             |             |

| Adan Duran                    | <p>I got a call from Mr. Sanchez and he indicates that they had several roof leaks during yesterday's rain. He says the leaks occurred in a lot of the same areas where repairs were made, along the hallway and one window has classroom leaks. He is concerned that the painting of the hallways being done by the contractor will get ruined. Make arrangements to work on this again.</p> <p>Margret,<br/>Please generate a work order for this and contact Adan need a site plan of the school indicating where the leaks are located. Also ask him if he already entered the work order to repair windows on classroom doors.</p> |             |                             |                   |                               |                  |           |             |               |

As we continued walking down the hall the following rooms had the same damage:

- Rm. 7---Lounge
- Rm. 9---Nurses Office
- Rm. 10---Administrative Intern Office
- Rm. 15---Office
- Rm. 20---Kindergarten Classroom

We walked throughout the hallway checking the classroom and saw no sign of forced entry. I called Ms. Muela and indicated what we had discovered and she asked me to call the sheriff's department and make a police report. I spoke to Deputy Rosemary Zamora, case #20069-06254 and indicated that nothing seemed to be missing but that two doors were damaged and would need to be replaced the work room door Rm. 14, was forced open and broke from the lock, also our supply room door was broken but nothing seemed to be missing.

Ms. Muela called the administration offices and spoke to Cindy Nava and informed her about the situation, Ms. Nava indicated she would inform Mr. Richard Chavez.

Today July 6, 2006 two of our SPED teachers came by to pick up some of their belongings from classroom 33 and noticed that it had been broken into. The following items were missing:

- 2 alpha smarts
  - 5 cd players
  - 8 mini recorders
  - 1 case of hot chocolate
  - 5 filing cabinets were forced open damaging all of them.
- They estimated all the items to be worth about \$1000.00. Deputy Zamora and I had previously estimated about \$800.00 worth of damage, but this was before today. I have called her and left a message to let her know about the items that were stolen. We have about three pairs of scissors that were found thrown in the hallway that were used as tools to do most of the damage. Mine were taken from my desk drawer.
