Dear Superintendent Nava,

We are pleased to inform you that the Public School Capital Outlay Council (PSCOC) has approved a total net award of **\$326,250** from the 2007-2008 Standards-based Capital Outlay Awards to Gadsden Independent Schools for the following project. This net award amount is exclusive of any additional funding allocated for energy efficiency improvements from the High-Performance Schools appropriations.

School:	Short Description:
Gadsden High School	Planning and Design of the Career Pathway Building

Detail:
This award is for planning and design of the Career Pathway Building. The district needs to utilize previous award funds to develop the scope of work necessary to bring existing facility to adequacy. Award is contingent upon the district providing requested documentation regarding outstanding balances on all previous PSCOC Awards.

Please note that the award can be used *only* for the project(s) and purpose(s) specified.

Funding of Capital Outlay Awards for the 2007-2008 award cycle are principally financed through supplemental severance tax bonds, and availability of these funds for your project are contingent upon several bond sales throughout the fiscal year by the State Board of Finance.

Prior to the expenditure or draw down of any state awarded funds, the district must submit a Request for Approval of School Construction Form (beginning with the program statement) to the Public School Facilities Authority for approval, as well as meet all other contingencies for the project. The PSCOC directs the districts to involve the PSFA staff early on in the planning process in order to resolve issues well in advance of the completion of construction drawings. All projects shall utilize standard contracts, procedures, and reporting requirements as defined by the PSFA. The details of the project must be agreed to mutually in writing between the District and the PSFA through MOUs, which shall be drafted following acceptance of the award by the District. The signed MOU shall be returned to your PSFA Regional Manager no later than November 9, 2007.

Please submit this letter accepting the award by signature of both the Board of Education and the Superintendent to: Mr. Robert Gorrell, Director, Public School Facilities Authority, 2019 Galisteo, Suite B-1, Santa Fe, New Mexico 87505. **Deadline for the acceptance of this grant is September 19, 2007.**

In addition to project specific contingencies or other requirements specified in the award language, additional conditions were adopted by the PSCOC (please see the attached list).

All districts are advised to expend these awarded funds, as well as past award balances, in a timely manner. If you have questions concerning the award, please contact Mr. Tim Berry at 505-988-5989 x2109.

Once more, we would like to extend our congratulations. We look forward to working with you in our common purpose of providing better school facilities for the children of New Mexico.

Sincerely,

Paula Tackett, Chair
Public School Capital Outlay Council
