

Patricia Estrada
Sunland Park Elem
305 Alto Vista
Sunland Park, NM 88063

Dear Ms. Estrada:

Congratulations on winning the First Place Award in the Expanding Breakfast competition. Your efforts in coordinating the success of Breakfast in the Classroom should not go without recognition. Your school tied for First Place with Barry Elementary in Clovis, which says that the value of this alternate breakfast service is being identified throughout the State of New Mexico!

The importance of good nutrition for healthy, high-achieving students is unquestioned, and school breakfast plays a vital role in that. Thank you for the leadership that you, your district and Sunland Park Elementary have shown in bringing healthy breakfast to even more students through your innovative alternative breakfast service.

Sincerely,

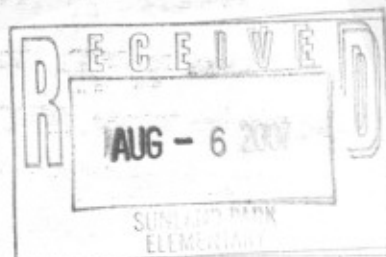

Jan Newquist, RD, LD,
Program Coordinator
