Dear Ms. Nava:

This letter is to inform you that the Governmental Services Agreement (GSA) between your district and the State Parks Division of the Energy, Minerals & Natural Resources Department has been fully executed. Please find a signed and executed copy for records enclosed in this mailing. A check in the amount of \$6,972.75 will be mailed to you shortly.

This amount will cover transportation costs for field trips for your fifth grade students as part of a special appropriation for Doña Ana County public schools sponsored by State Sen. Jeff Steinborn and approved by the 2007 New Mexico Legislature. All funds are to be expended by the end of the 2007/2008 school year, and appropriate reports and reviews as stipulated in the GSA are due within 15 days of the last day of school. Please feel free to contact me if you have any questions or concerns.

We wish your fifth grade teachers and students many rich learning experiences.

Sincerely,

Rob Yaksich
