MEMORANDUM

TO: School District Superintendents

**FROM: Gilbert A. Perea, Assistant Secretary, *JWP*
Program Support & Student Transportation**

SUBJECT: SUPPLEMENTAL FUEL ADJUSTMENT FOR 2007-2008

The Legislature approved a supplemental fuel adjustment for school transportation operations, which will be distributed to school districts during the current school year.

Attached is a breakdown of the amounts that each school district is eligible for based on the annual reported school bus miles on the November 15, 2007 report.

Please submit a budget adjustment request for the amount that you are eligible for this fuel adjustment. Keep in mind that contracted services shall be adjusted in object 55112 and a contract amendment needs to be approved by your local board. School districts that operate their own equipment shall budget their amount in the respective objects 56211 - Gasoline; 56212 - Diesel, and/or 56213 Propane/Natural Gas.

These funds are intended for fuel adjustments only.

If you need any additional information, please contact me at (505) 827-6640.
