RE: Update to Initial Carl D. Perkins Redistribution Allocation (Perkins III)
Amendment I to Application for Redistribution Funds

Dear Ms. Nava:

This communication is a follow up to Secretary García's letter dated March 7, 2008, regarding the initial Carl D. Perkins Redistribution Allocation (Perkins III).

As you are aware, the application to access the Redistribution funds was due to the Career-Technical and Workforce Education Bureau (CTWEB) on March 21, 2008. Since that date, the CTWEB has had an opportunity to evaluate all applications submitted, and is prepared to release the un-awarded funds as an increase to your initial award under Redistribution.

The focus of the un-awarded funds continues to be twofold:

- 1) to address the performance measures that New Mexico is currently not meeting; and,
- 2) to ensure compliance with communications to the State from the U.S. Department of Education's Office of Vocational and Adult Education.

Please share this information with all staff involved with preparing and processing your redistribution budget, and for the grant funds and grant reimbursements.

The increase to your allocation for redistribution funds awarded to your institution is: \$35,475.52. This allocation is added to your initial allocation (March 7, 2008) which was in the amount of: \$73,890.00.
