# Memorandum

**To:** Norma Alvarado, GISD Transportation Specialist  
**From:** Cristie Stuart, Vice President  
**Date:** 3/5/2009  
**Re:** 2008/2009 New Bus Purchases/Rental Fees

Enclosed please find documents relating to the new buses that were approved for replacement and purchase for the 2008/2009 school year. We were approved to purchase 11 buses to replace the 1998 models which were on routes. We were also approved to purchase 1 special education lift bus to replace the 1996 lift bus placed into service on a new special education route in 2005/2006. The following documents enclosed are for each of the 12 buses now in service:

1. Completed SDE Bus Replacement Form
2. Copy of Certificate of Vehicle Registration

I have also enclosed a copy of the SDE Rental Fee Schedule for 2009 model buses along with a breakdown of calculations for the additional 2008/2009 rental fees on the 2009 models. We still have not received the amount of rental fees from PED for the two 2010 lift buses, however I wanted to get these documents to you in order to start the approval process so that we will receive rental fee payments for this year. Our calculation for rental fees for the 10 2009 models is \$\$203,130, however this calculation will be higher once the rental fee amount is received for the 2 2010 model buses.

I will complete and forward an amended contract appendix "A" and "B" once we receive the 2010 rental fee amount from PED.

Please do not hesitate to contact me should you have any questions or need further information in order to complete the Transportation BAR.

Thanks Gilbert. We also have a 1996 48 passenger lift bus (#1103) which was placed back into service on a new special ed route in 2005/06. At that time we asked for approval to replace this bus as soon as money became available. Could you check to see if it may be possible to replace this bus this year. I can send you the original documentation relating to this new route. Thanks.
