

**CONTRACTED CAREER AND TECHNOLOGY EDUCATION
AGREEMENT
2009-2010**

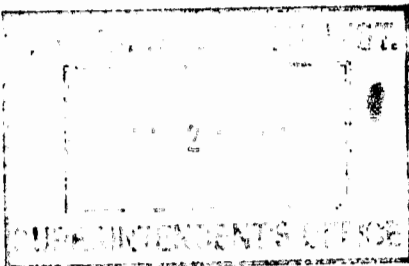

This agreement, entered on the 20th day of July 2009, between the El Paso Independent School District and **Gadsden Independent School District** is for the purpose of providing Career and Technology Education instruction at the *Center for Career and Technology Education*, 1170 Walnut Street, El Paso, Texas and the *Occupational Center*, 5300 Warriors, El Paso, Texas. The end of this agreement is June 4, 2010.

This agreement is to be conducted in accordance with local and state guidelines for Career and Technology Education. The El Paso Independent School District will bill **Gadsden Independent School District** at the end of this agreement at the rate of \$800.00 per student, per school year (\$400.00 per semester). The El Paso Independent School District will provide contact hour reports to **Gadsden Independent School District** on the attendance of the contracted students in order for **Gadsden Independent School District** to receive career and technology education funding. The El Paso Independent School District will not be responsible for bus transportation to and from the *Center for Technology Education* and/ or the *Occupational Center*.

Students will abide by the Student Code of Conduct regulations of both districts.

Eric Winkelman, Principal/ Director
