Re: 2009/2010 New Bus Purchases/Rental Fees

Enclosed please find documents relating to the new buses that were approved for replacement and purchase for the 2009/2010 school year. We were approved to purchase 10 buses to replace the remaining 3 1998 models and the 7 1999 models. Due to our consolidation of routes and our ability to move buses/routes where they are more efficient, we only replaced the 7 1999 model buses. We did not replace the 3 1998 models. The following documents enclosed are for each of the 7 buses now in service:

1. Completed SDE Bus Replacement Form
2. Copy of Certificate of Vehicle Registration

I have also enclosed a copy of the SDE Rental Fee Schedule for 2011 model buses along with a breakdown of calculations for the additional 2009/2010 rental fees on the 2011 models. Our calculation for rental fees for the 7 2011 models is \$129,822.00.

Please do not hesitate to contact me should you have any questions or need further information in order to complete the Transportation BAR.
