G. PROPOSAL

If you prefer, you may attach pages for each question, double-spaced with Arial 10-point font. Please be concise

1. Tell us how your school intends to implement the FFVP program (For example, are you planning to have food carts or kiosks (stands) in the hallway, offer fruit and vegetables in the classroom)?

The Gadsden I.S.D. will implement the FFVP Program by offering fruits and vegetables to all students in the classroom daily.

2. What time of the day would the fruits and vegetables be made available in your school?

The Fresh Fruits & Vegetables will be available daily at 1:30 p.m.

3. How would you promote and advertise the FFVP program at your school with students, and inform the community?

- 1) Post in the Web Site
- 2) Inform principal and staff through e-mail
- 3) Send notice to parents at home.

4. How will the students in your school benefit from the FFVP program?

Introducing new type of fruits and vegetables to students will enhance their ability to choose healthy eating habits and include fruits and vegetables in their diets.

5. What do you anticipate to be your major barrier to success and how will you overcome it?

Especially in lower grades, students are not familiar with many fruits, vegetables, through demonstrations, story telling, and introduction to the roots of each product students will be able to recognize and enjoy the introduction of fruits and vegetables.

6. What nutrition activities or strategies will be incorporated to educate students?

A variety of activities will be introduced from simple product testing to a variety of instructions and demonstrations.

7. How will you insure the allocated amount is spent throughout the entire 2010-11 school year? (Please be specific)

A budget for each month will be established and modified monthly to insure that the program will be available the entire school year.
