To Be Presented By: Susan Yturralde and Manuel Leyva

Approved By: Efren Yturralde, Superintendent Date – February 15, 2012

Background and Summary:

The 2011-12 school year began with the book adoption process for Science. The purpose of being placed on this agenda is to discuss how our District solicited input from teachers into the choosing of a Science Textbook, as well as to inform the Board of the final results of this process. In addition, the projected budget for the textbook adoption will be discussed.
