We want you!

Dear

I am sure you are excited and a little fearful about starting high school next year; don't forget you have options! As an incoming freshman student from the Gadsden School District you have the opportunity to attend the new Early College High School in Chaparral, New Mexico! You have shown an interest in your academics which leads us to believe that you are a highly motivated and hard working student and that is *exactly* what we are looking for. Please consider attending ECHS. Pick up an application from your counselor and fill it out *today*. Remember, we are *always* here to help and look forward to working with you this upcoming year!
