Background and Summary:

The 2012-13 Athletic Increments Schedule approved with the submission of the 2012-13 Operating Budget did not include changes that were implemented in 2010-11 for the Middle School Athletic Increments. The changes to the middle school increments were made to be consistent with the changes in the middle school athletic program. The revision is required to have the correct increments reflected on the official Athletic Increments Schedule and to have the correct amounts on file with NM PED.
