Re: Re-Bid Gadsden High School Re-Roof and Mechanical Upgrades – 2012

Dear Mr. Suggs,

Enclosed is a bid tabulation for the project referenced above. Three of the bids complied with all requirements of the specification, but the fourth bid from CD Contractors failed to list all four addendums. The low bid of \$497,571.00 is from The "Roof and Metal Company", a non New Mexico resident firm. The second low bid is from "Commercial Roofing", a resident firm whose bid when multiplied by .95 (the determination method for preference) is \$487,322.45 and is therefore lower than the bid from "Roof and Metal Company."

Our firm has worked with "Commercial Roofing" on several projects and found their work to be acceptable. If you have any questions regarding the bidding please contact me.

Sincerely,

Rem C. Alley Jr., AIA
Alley Associates, P.C.
