Medium Work In Progress Weight Room 10/8/2015 1:43:56 PM

Lara, Ralph Requested by Mr. Giron for Weight Room-The west end entrance doors into the Weight Room do not close or lock properly. Students pull on the doors and they easily open. There is a chain and pad lock that currently secures the building. However, in case of an emergency, this will become a safety issue when students or staff try to exit the building. For safety and to ensure the security of the equipment the doors or locking mechanism need to be repaired or replaced as soon as possible.
