Background and Summary:

Amend Transportation Contract to reflect an increase to Fund 13000 Transportation. This increase is for Bus Replacement Services (Rents and Leases) for the 2015-2016 school year. The purchase of 8 new buses total \$160,801.00 and have been approved to replace 2004 model year buses. The Public Education Department (PED) requests that all school buses be replaced on a twelve year replacement cycle.
