Background and Summary:

As was discussed by the Board on December 14, 2017, the proposed NMSBA changes to Policies EFC, EFDA, and Exhibit EA to Policy JFABD do not apply to GISD since all District students are provided with free food services. Nevertheless, since the presence of these policies could be required in an Audit, it was proposed that the policies, along with their NMSBA changes, be included in the GISD Policy Manual (along with the minor change to JFABD-EA) while adding a statement to Policy EF, Food Services, explaining that while the said policies are included in the GISD Policy manual, they are not applicable to GISD since all District students receive free food services.
