

**REGULATION****REGULATION****EVALUATION OF PROFESSIONAL  
STAFF MEMBERS****Purpose**

The purpose of evaluation shall be the improvement of performance. Such a process, to achieve the greater measure of success, shall be predicated on the assumption that the evaluation will be a cooperative procedure, with the evaluator and the evaluatee having full knowledge of the criteria, process, and results.

The following statements give more specific purposes for evaluation:

- Evaluations determine how well the objectives held by the school are being carried out. The success of the educational program is dependent upon the quality of classroom instruction, supervision, and administration.
- Evaluations provide the basis for motivation and for self-improvement, permitting personnel to be aware of their strengths and weaknesses in order to improve.
- Evaluations provide a basis for planning in-service training and supervisory activities. Such activities can be most effective when they are based upon clear evidence of need as shown by evaluation studies.
- Evaluations provide the basis for administrative decisions. Such decisions may include the employment of personnel, their assignment, promotion, demotion, or termination.
- Evaluations aid in determining satisfactory or unsatisfactory performance.

**Evaluators**

The Superintendent shall designate the evaluators. The evaluator shall be responsible for the final written and official statement of evaluation, which shall be in writing, and a copy shall be transmitted to the certificated teacher within five (5) days after completion of the evaluation.

The District is responsible for an in-service training program for evaluators. This program shall incorporate classroom observation techniques, conference skills, and growth planning. Evaluators shall attend a training program to improve their evaluation, administrative and instructional leadership skills at least every two (2) years.

**Licensed Teacher Evaluation**

***Classroom visitations by evaluator.*** Formal observations shall be spaced and of sufficient duration (minimum of *thirty [30]* uninterrupted minutes) so as to ensure that the evaluators have an opportunity to grasp an overall concept of a person's performance over a full schedule.

A low attendance score may be reflected in the evaluation if the teacher is determined to have used sick leave inconsistently with district policy.
- A professional development plan shall be devised by each teacher and provided to the evaluator on a schedule as determined by the evaluator.
- Observations in the classroom shall be completed.
- An opportunity for a conference shall precede and follow each formal observation-visititation.
