

SCHOOL-BASED HEALTH CLINIC

The School District may provide health services to students and staff through a contracted provider in concert with the New Mexico Department of Health.

This school-based health clinic may provide medical and mental health services.

Services may **not** include reproductive services.

Administration of medication is limited to Class "C" Pharmacy License. [16.19.10.11A (1)(c) Class "C" clinic drug permit for clinics where dangerous drugs are administered to patients of the clinic.]

Health clinic services may be provided as long as funding is available.

Adopted: date of manual adoption
