Background and Summary:

The change in Policy BDA is pursuant to the legislature changing the date upon which newly elected candidates take office from March to January. The local change from 'one year' to 'two years' is to clarify that in the Gadsden Independent School District, officers of the Board shall hold office for two (2) years or until their successors are elected and have been qualified. An additional local change has been added in order that the Board may reorganize at any time when called for by a simple majority of the Board.
