Approved By: Ludym Martinez, Associate Superintendent of Finance Date – April 15, 2020

Background and Summary:

Chaparral Middle School is requesting a transfer of funds appropriated for Extracurricular Activity/Field Trips. Funds were encumbered for travel during the Spring semester but trips were canceled due to the unforeseen impact of the Coronavirus Pandemic. No one anticipated that school closures would last through the end of the school year. CMS is respectfully requesting the transferring balance of \$14,005.31 to the supply asset line item (5733) to purchase Chromebooks and maximize the grant dollars. CMS would like to transfer the funds to purchase Chromebooks for the students to use in their classrooms with the remaining funds.
