Any contract execution by virtue of this RFP shall be subject to all applicable New Mexico Statutory requirements. *(The terms “Consultant”, “Contractor”, and “Offeror” are herein-after used interchangeably and shall be deemed synonymous).*

The District will lead this procurement process with advisement and assistance of its partner the Public-School Facilities Authority (PSFA).

The District is required by statute to have a five-year FMP in place to be eligible for Public School Capital Outlay (PSCOC) funding. The timeline for completion and acceptance of the District’s FMP are critical to their eligibility and to the yearly funding cycles. The successful Offeror(s) shall perform the work described in this RFP.

The selected offerors shall be willing and capable of providing the requested and required service, both stated and reasonably inferable, that are necessary to fulfill the complete all work in accordance with the standards, specifications, and requirements contained in this RFP, any resulting contract/agreement, and all applicable laws and regulations.

School Districts in the State of New Mexico cannot apply for assistance for their capital outlay programs unless they have a current facility master plan on file with the Public School Facilities Authority.

Successful Offeror shall assist the District with the development, preparation, and/or update of a five-year facilities master plan, hereinafter referred to as the FMP. The FMP shall be in accordance with the Public School Capital Outlay Council (PSCOC) and Public School Facilities Authority’s (PSFA) most current School District Facilities Master Plan Components and Guidance Manual.

The successful Offeror shall review and compare all data collected with the PSFA Facilities Assessment Database (FAD). The FMP shall provide a strategy for bringing all facilities up to an equitable level of health and safety, utilization and capacity for growth as well as maintenance/renewal of existing facilities, and accommodate district facility changes due to educational programs, equipment upgrades and changing technologies. All facilities shall be physically inspected prior to the development of the five-year FMP, and shall be compared against the established adequacy standards and APG Planning Reference Guidelines for future and desired facilities, for current condition of existing facilities and/or comparison to FAD to ensure consistency and to correct the data.

C. SCOPE OF PROCUREMENT/WORK

The successful Offeror will be expected to and required to provide a five (5) year master plan that reflects the State of New Mexico PSFA requirements contained in this RFP.

It is estimated and intended that an award of an Agreement under this RFP will occur in or about the month of July 2020 following the issuance of this RFP.

11. Final Evaluation Review/Recommendation for Award

The recommendation for award(s) will be finalized with the most advantageous Offeror(s) by the date and time shown on the table above. This date is tentative. In the event that mutually agreeable terms cannot be reached within the time specified, the District reserves the right to finalize an agreement with the next most advantageous Offeror without undertaking a new procurement process. The most advantageous proposal may or may not have received the most points.

The Procurement Manager reserves the right to accept or reject any or all proposals or part of a proposal; to waive any informalities or technicalities; clarify any ambiguities in proposals; modify any criteria in this Request for Proposals; and unless otherwise specified, to accept any item in a proposal.

12. Contract Negotiations

Upon approval of award, the Procurement Manager and Evaluation Committee may negotiate the final contract(s). The Procurement Manager will not disclose or make public any pages of a proposal on which the potential Offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:
- B. Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.
- C. Confidential data is restricted to:

Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

9. No Obligation

This RFP in no manner obligates the District, the State of New Mexico or any of its Agencies to the eventual rental, lease, purchase, etc. of any equipment, software, or services offered until a valid written contract is awarded and approved by appropriate authorities.

10. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the District determines such action to be in the best interest of the District, and the State of New Mexico.

11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The District's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. Legal Review

The District requires that all Offerors agree to be bound by the Specific and General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

In the event Offeror's forms or parts of forms are included as an attachment, Offeror agrees that, in the event of inconsistencies or contradictions, the terms and conditions of this solicitation document shall supersede and control over those contained in the Offeror's forms regardless of any statement to the contrary in an Offeror's form(s) or proposal. Notwithstanding the preceding sentence, the District reserves the right to consider the Offeror's additional terms and conditions and negotiate as necessary and applicable to the category of goods, services, or combination of goods and services offered by the Offeror in response to this RFP. Unless the District specifically agrees in an express written amendment of this solicitation, terms and conditions on Offeror's forms shall be of no effect.

Only information supplied, in writing, by the District through the Procurement Manager or in this RFP shall be used as the basis for the preparation of Offeror proposals.

15. Contract Terms and Conditions

In additions to the Terms and Conditions listed verbatim in this RFP, the Terms and Conditions contained in the Services Contract/Agreement (*herein after referred to as Sample Agreement*) are equally applicable to this solicitation/procurement process, and are incorporated herein and made a part of this RFP to the same extent as if they have been set out verbatim. A PDF Version of the Sample Agreement is located at, and Contractors participating in this RFP process, shall obtain a copy from: http://www.nmpsfa.org/files/FMP-Contract_Version_FV--011419_SM.docx.

The contract between a District and a contractor will follow the format specified by the District and contain the terms and conditions set forth in the Sample Agreement. However, the contracting District reserves the right to negotiate provisions in addition to those contained in this RFP Sample Agreement with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The District discourages exceptions from the contract terms and conditions as set forth in this RFP and Sample Agreement. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Evaluation Committee or the Procurement Manager, the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal/contract rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Sample Agreement strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Evaluation Committee or Procurement Manager may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Sample Agreement are not acceptable to and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

The District may accept any item or group of items of an offer, unless the Offeror qualifies the offer by specific limitations. Unless otherwise provided in the RFP, offers may not be submitted for quantities less than those specified. Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the District. Please see Section II.C.15 for requirements.

The Evaluation Committee or Procurement Manager may, in its sole discretion, evaluate or consider any additional terms and conditions submitted with an Offeror's response. This applies to any language appearing in or attached to the document as part of the Bidder's response. By execution and delivery of this Request for Proposal and response(s), the Bidder agrees that any additional terms and conditions, whether submitted purposely or inadvertently, shall have no force or effect unless expressly accepted by the District.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the District and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may, via the Procurement Manager, make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in NMSA 1978, § 13-1-83 and 13-1-85.

Contractor(s) must provide detailed documentation and assessment as to the reasons for the request for an increase in price. The District will evaluate the request and write a determination to allow negotiations or deny an adjustment to costs pertaining to the services proposed and agreed upon in the agreement.

24. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the District written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or District contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

25. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the District/State of New Mexico.

26. Indemnification

The Contractor shall defend, indemnify and hold harmless the District and the State of New Mexico from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all
