Background and Summary:

Given the recent reduction of SEG dollars appropriated to LEAs during the special legislative session which eliminated the mandatory 4% increase and replaced it with funding for an average 1% increase, we are requesting your approval to modify the previously approved salary schedules for the 2020-21 school year.

The 2020-2021 salary schedules have been modified from the mandatory 4% increase for all educational employees to an average 1% increase for school personnel; other than other administrative employees.
