

EXTRACURRICULAR ACTIVITY ELIGIBILITY

All interscholastic extracurricular activities in grades nine (9) through twelve (12) that are of a competitive nature and involve more than one (1) school where a championship, winner, or rating is determined shall be conducted under the provisions of this policy. Such activities will be established and designed to offer students worthwhile athletic and leisure-time interests, wholesome recreational and social activity, and an opportunity to develop skills in democratic and cooperative management for these activities.

All such activities conducted under the auspices of the District shall be under the direct supervision of the licensed individual responsible for the activity.

It is necessary to have the interscholastic extracurricular activities function within a realistic framework of control. In order that overenthusiastic students do not place a social or athletic function on a higher plane than the academic program, the following policy will be adhered to:

- All classwork counted for eligibility must be acceptable for graduation.
- The student must be enrolled in more than half of the school's regular class schedule.
- Regular attendance must be maintained and no more than fifteen (15) days or the same class more than fifteen (15) times may be missed each semester due to interscholastic extracurricular activities.
- The eligibility criterion for interscholastic participation shall be in accord with ~~Section 6.2 on Scholarship of the New Mexico Athletic Association handbook~~ the following:
 - ~~Fall 2018 eligibility will be based on the 2nd semester grades from 2017-2018 school year and must be~~ A public school student shall have at least a grade average of 2.0 on a 4.0 scale adjusted for honors points with **no F's no more than one (1) F** or failure **either cumulatively or** for the grading period immediately preceding participation to be able to participate in any interscholastic extracurricular activity. A grading period shall be not less than six (6) weeks; Eligibility will be determined by semester grades.
 - Eligibility may be reestablished following each semester grading period; and using the grades from the next grading period within the semester. A student may no F's or Failures. If an additional grading period (six [6] week periods) falls within the semester, eligibility will be checked at that point also.
 - The cumulative period eligibility for participation shall be applied beginning with the student's academic record in the ~~may only be used at the beginning of a semester and must include all high school semester grades beginning with the~~

ninth (9th) grade year. ~~This provision may be used if the student has no more than one (1) F grade at the immediate past semester.~~

- If the student does not meet the eligibility requirements the penalty will be removal from participation in any athletic team or extracurricular performances or travel. A student that demonstrates academic progress toward eligibility may practice with the team or group.
- The responsibility for notification of students and parents of these requirements and for enforcement of the above rule rests with the Superintendent.
- The student and the parents or guardian shall be notified of ineligibility in a manner such that confidentiality is maintained when:
 - Ineligibility is pending, and
 - Ineligibility is determined to be necessary.
- Support services may be made available to students who become ineligible for extracurricular programs as well as to students notified of pending ineligibility depending upon resources available.
- Students whose behavior presents a problem or jeopardizes school discipline may be ineligible for participation in extracurricular activities until such time as their behavior warrants reinstatement.

~~Students whose behavior presents a problem or jeopardizes school discipline may be ineligible for participation in extracurricular activities until such time as their behavior warrants reinstatement.~~

The same general standards shall apply for special education students except that such eligibility shall be determined on a case-by-case basis in relationship to the respective student's individual education programs for those receiving C and D level services.

The Superintendent shall establish regulations to ensure that:

- Necessary documents in support of this policy are maintained.
- Necessary data related to ineligible students are collected and reported as required.
- The cultural traditions of students are considered when establishing or enforcing rules related to participation in extracurricular activities.
- The requirements of this policy are met.

The Superintendent may develop additional rules or procedures for the proper conduct of extracurricular programs and the implementation of the provisions of this policy.
