Approved By: President Flores Date – May 8, 2021

Background and Summary:

K5+ programs have been offered every summer for several years. We are having some difficulties in staffing for this year and to address this we have combine sites to ensure we can maintain the quality our programs has had in the past. Jump Start is a new option for PreK and secondary students to give them an opportunity to transition back into classroom routined, establish appropriate social behaviors and fill in learning gaps from the past year.
